Commerce Park is a 133,682 SF business park in Indianapolis, IN. The property is comprised of 7 buildings with office and small bay warehouse space. It is centrally located on the northwestern side of Indianapolis with easy access to both downtown and the northern suburbs. The property is located near I-465 and I-65 and is surrounded by amenities such as retail centers, hotels, and restaurants.

It has had recent improvements including the creation of "The Hub", a collaborative work space that offers flexible lease terms, drive-in warehouse units, and different office layouts. LED high efficiency lighting has been installed on building exteriors as well as revamping landscape and parking lot/roadway upgrades.
